

19 July 2021

## TIBBERTON COMMUNITY SHOP

### Committee Update to Volunteers and Customers

On 19 July, the Government's Coronavirus restrictions lift. The Government is asking everyone to take personal responsibility for keeping themselves and others safe.

We are no different. Our volunteers, in customer-facing roles, will continue to use hand-sanitiser and wear face coverings and may still make the personal choice to maintain social distancing. It's important that our customers please respect this personal choice.

When visiting our Shop, we encourage our customers politely to continue to use the hand-sanitiser before entering the Shop and wear masks in the Shop for the time being. We will keep this guidance under review.

THANK YOU FOR USING THE HAND-SANITISER  
AND WEARING A FACE COVERING

Using the hand-sanitiser and wearing a face covering  
helps me protect you, and you protect me
