

Tibberton Village Shop

run by our community

**Stick
Local for
Prize ●
Shopping**

During November 2025 we are running a prize draw for our local shoppers. By sticking with our local shop you could win a Foodie's Delight Produce Hamper worth £25.

Our thriving community shop backs British Farming and local suppliers, which we try to showcase with our ever increasing range of local produce; meats, pastries, biscuits, eggs, cheese, honey and our fabulous strawberries, to name just a few.

From the 1st to the 30th November a variety of products in our shop will have coloured stickers on them. From standard staples to sewing needles, from local basics to luxury goods.

If you buy one of these products, a raffle ticket with your name and number on, will go in to the prize draw, each product with a coloured sticker earns you another raffle ticket into the draw. The stickers will be placed onto random products in the shop (*please do not look for them*) so you never know when you might pick up a winning product.

The draw will take place in the shop on the morning of Monday 1st December and the winner will be contacted using the telephone number provided on the prize draw entry raffle ticket.

We hope you have fun shopping in Tibberton Community Shop in November. Good luck!
